College Information

The Toronto College of Dental Hygiene and Auxiliaries Inc. (TCDHA) is owned and operated by a former dental hygienist Ms. Lidia DiNicolo and a licensed dentist Dr. Boris Pulec in Ontario.

The Intra Oral Dental Assisting Level I and II is offered as a hybrid 10-month (20 hours per week) program which means all theory can be taken from the comfort of your home and all radiology lab components will be completed on site. It is designed to allow the individual to continue to work and learn at the same time. All concepts taught in the classroom are demonstrated and practiced in the clinical setting on mannequins, student partners, and clients.

The Intra Oral Dental Assisting Level I and II Program will teach students how to prepare patients for treatment and assist dentists during procedures. They will learn how to educate patients on the importance of proper oral healthcare and various treatment options. Aside from the many hands-on aspects, the program will also teach students how to schedule appointments, maintain patient records, and other administrative duties.

Our program is recognized by the National Dental Assisting Examination Board (NDAEB) and graduates who successfully complete the program will be eligible to write the National Level II Certification exam.

The Toronto College of Dental Hygiene and Auxiliaries Inc. is located at 2727 Steeles Ave West. TCDHA features a state-of-the-art dental clinic located on the fourth floor, equipped with modern dental operatories and X-ray machines to support clinical education and patient care. The clinic also includes dedicated support areas, such as a reprocessing room and dispensary. A panoramic imaging unit is located on the third floor to support additional radiographic services and learning opportunities. The facility has classrooms, a pre-clinic lab, a computer lab, and a spacious student lounge area.

History of the Toronto College of Dental Hygiene and Auxiliaries Inc.

The Toronto College of Dental Hygiene and Auxiliaries Inc. (TCDHA) was founded by and is still operated by a licensed dentist and a former registered dental hygienist in Ontario. The TCDHA operations commenced in January 2004.

TCDHA is registered under the Ontario Career Colleges Act, 2005
All TCDHA programs are approved under the Ontario Career Colleges Act, 2005.

Entrance Requirements

Applicants educated in Ontario must have completed a high school diploma equivalent to the following mandatory admission requirements.

Applicants from other provinces in Canada must have all the same requirements or equivalent in their respective provinces.

Students must submit an **Ontario Secondary School Diploma** (OSSD) or **Equivalent** as per the list below:

a. A secondary school graduation transcript/diploma from a Canadian province, territory or from the United States.
b. A Canadian Adult Education Credential (CAEC) or General Education Development (GED) certificate issued by a Canadian province, territory or from the United States.
c. A transcript, diploma or certificate from another country, assessed at an Ontario OSSD level by a recognized assessment service. Qualified academic credential assessment can be submitted as an alternative for those who have taken their education outside of Canada.
d. A certificate of completion for an academic upgrading program from any Canadian jurisdiction that is accepted by an Ontario College of Applied Arts and Technology for entry in an Ontario postsecondary program (for example, the Ontario Basic Skills Level IV, Basic Training and Skills Development Level IV, or the Academic Career Entrance Certificate).
e. A Canadian or U.S. postsecondary diploma or degree
f. A non-Canadian postsecondary diploma or degree that has been assessed as equivalent to a Canadian postsecondary diploma or degree by a recognized assessment service.
g. A certificate of Apprenticeship or Certificate of Qualification in any trade from any Canadian jurisdiction.

h. If a student was ever accepted into a postsecondary institution and can provide the acceptance letter.
i. If a student started a postsecondary diploma or degree and can provide the in-progress or incomplete transcript.
j. A certificate or diploma from a Career College (OCC).

The candidate must ensure that their Ontario Secondary School Diploma or equivalent transcript is provided to TCDHA.

The applicant should also submit any and/or all of the following documents if applicable:

- Post-secondary education
- Evidence in the field

Mature Students:

Applicants that are applying as a Mature Student who are over the age of 18 years of age and lack a high school diploma or equivalent (as discussed above) may apply under Mature Student status. A Mature Student must successfully pass the Ministry of Colleges and Universities (MCU) Superintendents approved qualifying test, which is called the Wonderlic Scholastic Level Exam. This is the test that has been approved by the MCU at Toronto College of Dental Hygiene and Auxiliaries Inc.

Valid ID must be provided by the applicant to prove the age requirement.

The mandatory pre-admission test, interview and entry requirements apply to all applicants.

Applicants Educated Outside of Canada or USA

Applicants who have graduated from high school and/or a post-secondary institution in a foreign country are required to have their education evaluated by the qualified academic credential assessment service (WES, ICAS, IQAS etc.)

All applicable fees associated with the qualified academic credential assessment services are the responsibility of the applicant. Applicants must arrange to have copies of the document s delivered to TCDHA by the required deadlines.

If the foreign applicant cannot provide a copy of these document s then they may choose to apply as a Mature Student.

Indigenous Applicant Eligibility

TCDHA is dedicated to creating an inclusive learning environment that lifts and honours the Indigenous worldview and ways of knowing to support First Nations, Metis, and Inuit students who choose to study here.

For this reason, and to continue to improve our support of Indigenous students as they strive to reach their educational goals and dreams, we invite you to identify if you are of Indigenous ancestry within the meaning of the Canadian Constitutional Act of 1982.

Self-identifying Indigenous ancestry on your application for admission will allow us to stay connected throughout your college career and provide information on topics such as Indigenous student scholarships, bursaries and more.

Applicants applying must meet the following requirements:

- Provide documentation of Indigenous heritage (First Nations, Métis, or Inuit).

This could include but is not limited to, Indian or Métis status cards, official Inuit identification, official letters from Aboriginal organizations, or a combination of proof.

- Complete the application process and the admissions test.
- Complete the prerequisites required to be eligible for admission into the program.

TCDHA reserves 2 seats per intake to students who fall under the category Indigenous students (First Nations, Inuit, Métis).

International Applicants

TCDHA accepts international students if they meet all the entry requirements. TCDHA is designated by the International Student Program (ISP) as a Designated Learning Institution with Immigration, Refugees, and Citizenship Canada (IRCC) International applicants must also complete the IELTS Academic test (www.ieltscanada.ca) with a minimum overall score of 6.0 with no individual band below 6.0.

Successfully completing the Intra Oral Dental Assisting Level I and Level II program at TCDHA does not guarantee the ability to work and/or to live in Canada. Please see the Immigration, Refugees, and Citizenship Canada (IRCC) website for information on studying, working and living in Canada.

TCDHA reserves 5 seats per intake to students who fall under the International Students category.

English Proficiency

English is the language in which the Intra Oral Dental Assisting Level I and II Program is taught at the Toronto College of Dental Hygiene and Auxiliaries Inc. TCDHA does not teach English as a second language to the students.

Prior Learning Assessment

Applicants of the Intra Oral Dental Assisting Level I and II Program with a dental background or other related courses will not be granted advanced standings or exemptions for courses taken elsewhere.

- Good organizational skills and time management skills.
- Attention to detail.

Mandatory Pre-admission Exam

In addition, all applicants that meet the minimum admission requirements will be required to write the mandatory Intra Oral Dental Assisting Level I and Level II pre-admission exam.

Applicants are able to book the pre-admission exam online with the Admissions Coordinators or through our online scheduler after they submit the application form. The Admissions coordinator will add the applicant to our online portal EduLink. This will send the applicant a link to complete their online forms. Once the applicant completes the Online Pre-Admission exam forms they are welcome to book the pre-admission exam directly through the scheduler, or speak with their Admissions coordinator to book it.

The applicant is then able to complete the pre-admission exam through Microsoft TEAMS fully monitored by the Admission Coordinators.

There is no fee associated with the mandatory Intra Oral Dental Assisting Level I and Level II pre-admission exam.

Applicants are required to provide photo identification for viewing by the Admission Coordinator.

The pre-admission exam consists of the following:

- English Questions (Including Vocabulary, Grammar, Reading Comprehension)
- Biology Questions
- Written Component

In order to be successful on the pre-admission exam the applicant must achieve a score of 60% or above.

Applicants Located Outside the City, Province or Country

Applicants that are located a far distance from the College or are from out of province/country do not need to physically attend the Intra Oral Dental Assisting Level I and II Program pre-admission exam at TCDHA. The applicant may use a qualified testing center that will supervise their pre-admission exam. Please call TCDHA admission staff for more information at 416-423-3099 or toll free 1-866-923-3099. Also, please feel free to e-mail questions to info@toronto-college-dental.org.

There is no fee associated with the mandatory Intra Oral Dental Assisting Level I and II Program pre-admission exam.

Mandatory Pre-admission Interview

The pre-admission interview is designed to allow the applicant to demonstrate their personal qualities. Students will be evaluated on their knowledge of the profession and their communication and critical thinking skills. Applicants will be evaluated according to their responses and to the overall impression made during the interview.

Selection Process

Applicants who achieve above 60% on the pre-admission exam and who achieve 60% or above during the pre-admission interview are considered to have met the minimum requirement level for entry to the Intra Oral Dental Assisting Level I and II Program.

Other considerations in the selection process may include:

1. Post-secondary education
2. Dental Industry experience

Any applicant who has met the minimum requirement level will be considered a qualified applicant.

Unsuccessful Applicants

Unsuccessful applicants will be informed of their status in person, by e-mail or by telephone.

Conditional Acceptance Status

A qualified applicant will be offered "conditional acceptance" into the program. There are documents and payment requirements that must be met prior to the qualified applicant being offered full acceptance into the program.

Once the applicant is offered "Conditional Acceptance" they will be given a set period of time to respond to the College if they wish to accept the offer.

Once the candidate has accepted the "Conditional Acceptance" offer they will be sent requirements and documents that need to be read, signed and return within a specified period of time.

In addition, the qualified applicant must provide evidence of their status in Canada by providing a copy of one of the following documents:

- Canadian Passport;
- Canadian Citizenship Card;
- Canadian Birth Certificate;
- Documentation of Permanent Residence Status;
- Documents of Landed Immigration Status; or
- Documentation of Study Visa*

**Study Visa must be valid in Canada – for the duration of the program*

Additional documents that must be submitted prior to the start of the program are as follows:

- Proof of current Cardio-Pulmonary Resuscitation (CPR) LEVEL C Certificate
- Immunization Form completed (form provided by TCDHA)
- Criminal Record Check (CPIC) and Vulnerable Sector Screening (VSS)*
  *Applicants that live in Toronto must request our school code to apply
- Infection Prevention and Control (IPAC) modules
- WHIMIS Certificate

Note:
Any fees associated with completing these documents are the responsibility of the applicant.

Full Acceptance Status

Full acceptance status into the Intra Oral Dental Assisting Level I and II Program at the Toronto College of Dental Hygiene and Auxiliaries Inc. is granted once the qualified applicant has signed the Student Enrolment Contract and completed all the entrance requirements stated in the "Conditional Acceptance" offer. This includes any required payments prior to the commencement of the program.

Waiting List

A waiting list of qualified applicants will be established any time that the number of qualified applicants exceeds the program's capacity.

These qualified applicants will receive an e-mail or telephone call informing them that they have been placed on the program wait list.

Qualified applicants that are still on the wait list once the available spaces have been filled and the selection process is complete, would receive an e-mail indicating that they will not be admitted to the program. Qualified applicants would be permitted to have their application forwarded to the next available intake.

Closing of Program

Entry into the program will be deemed closed when all the available seats are filled. Qualified applicants on the wait list will be notified that the program is full.

Career Opportunities

Dental Assisting is a dynamic and challenging health care profession which allows for a wide range of opportunities. Dental Assisting is desirable due to its flexible hours. There are options for part-time or full-time career opportunities.
